A Commitment to Quality; a Dedication to Service

History:

 is a State of the Art full service Dental Laboratory located in Oshawa, Ontario. Just minutes outside Toronto, we have been proudly serving Dentists in the Greater Toronto Area and North America for more that 20 years.

Products:

We fabricate an extensive and ever expanding list of fixed and removable Orthodontic appliances, Crowns and Bridges, Dentures and Implants – all custom made to your specification. Our experience in fabricating these appliances and restorations is matched only by our desire to remain in step with the latest advances in design and concept.

Why Choose ?

- With over 20 years of experience we are prepared to provide you with a high quality product at an affordable price.
- We will work with you to design and fabricate each appliance and restoration so that its done right the first time.
- With a wide variety of custom designs and colour along with superior craftsmanship, we can ensure an experience you and your patients will love.
- With convenient local pick-up & delivery options, and our next day couriers, we can ensure a quick turn around on all your cases.
- Our use of the highest quality materials combined with our trained, knowledgeable and experienced staff ensure that when you work with us, you are working with the best!!
